Background

The government has provided additional funding per annum to improve the provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers. This funding is ring-fenced and is only for children in Key Stage 1 and Key Stage 2 and therefore can only be spent on provision of PE and sport in schools. In 2018-19 the school will work towards the new 30:30 guidelines set out by the Government. Every primary age child should have access to 60 minutes of exercise daily.
